Local wolfdog law | Verification log

Start with official sources, then confirm how rules apply to your actual location.

State / county / municipality

Date research began

Official sources to locate and review

- ☐ State statute / official code and definition of wolfdog or hybrid.
- ☐ State wildlife, agriculture or other appropriate animal agency.
- ☐ County ordinances, animal control, and zoning office.
- ☐ City/municipal ordinances, if applicable.
- ☐ Public health / rabies / bite-response requirements.
- ☐ Permits, registration, travel, transport and other applicable requirements.

First source record

Agency and official URL or citation:

Exact rule, definition or agency answer (and effective date):

Date checked

Contact / office

Do not infer that an animal is lawful to own from a state overview alone. Proposed legislation is not enacted law.
